Happy New Year Everyone!

All of Us at Always In Stitches are very excited about 2011. Instead of closing our doors, or selling the shop I have taken on partners. So now instead of “just little ole me” trying to run the shop there are six of us.

Many of you have met the other new owners. For those of you that haven't here is a brief introduction.

Peggy Hartnett – Peg has recently relocated from Texas. She is a great quilter and quite a lovely person. She loves brights and batiks. Peg is an active partner and will be working in the shop on a regular basis.

Pat Hatem – Pat is an active partner. Many of you know her as Mom for she has been here since day one. Mom will continue to be here two days a week and help out on the other days as needed and special projects like in the past. She is such an asset and we are lucky to have her.

Lori Covert – Lori is a passive partner, which means you will see her from time to time in the shop helping out, but she has a “real” fulltime job too. Lori is an Art quilter and is going to focus on that area. She loves batiks and enjoys making purses.

Joyce Herriott – Joyce is a passive partner. You will also see Joyce in the shop from time to time. Joyce will be pivotal in sample making, ruler testing, inventory and whatever else we can get her involved in.

Joell Buchanan – Joell is our silent partner. She not only has one full time job, she has two. Joell is an awesome quilter and brings a ton of enthusiasm and knowledge to the table.

And, I will round out the team as the managing partner. We have so much planned for the next 18 months. Thanks for your patience over the last couple of months while we transitioned into our new look. Hang onto your seats for our goal is to make the shop better and better.

Best wished for a great 2011!

Mary
